

# Instructions for Importing Content Using Canvas Commons.

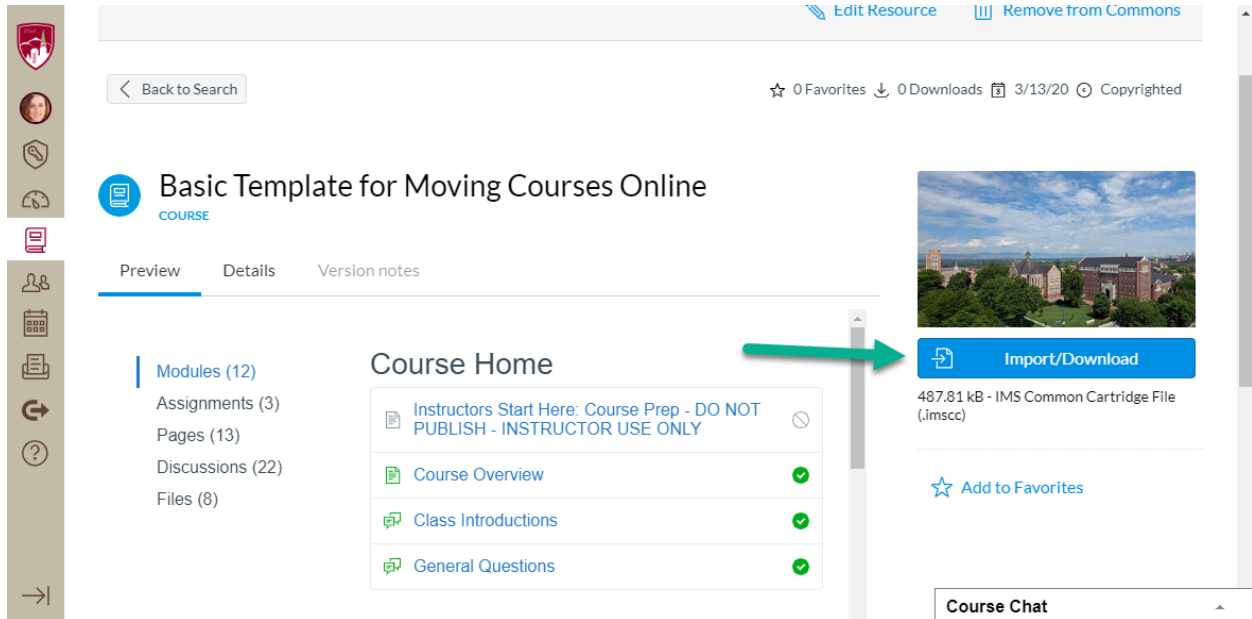

Step 1: From your course's homepage, select "import from commons"

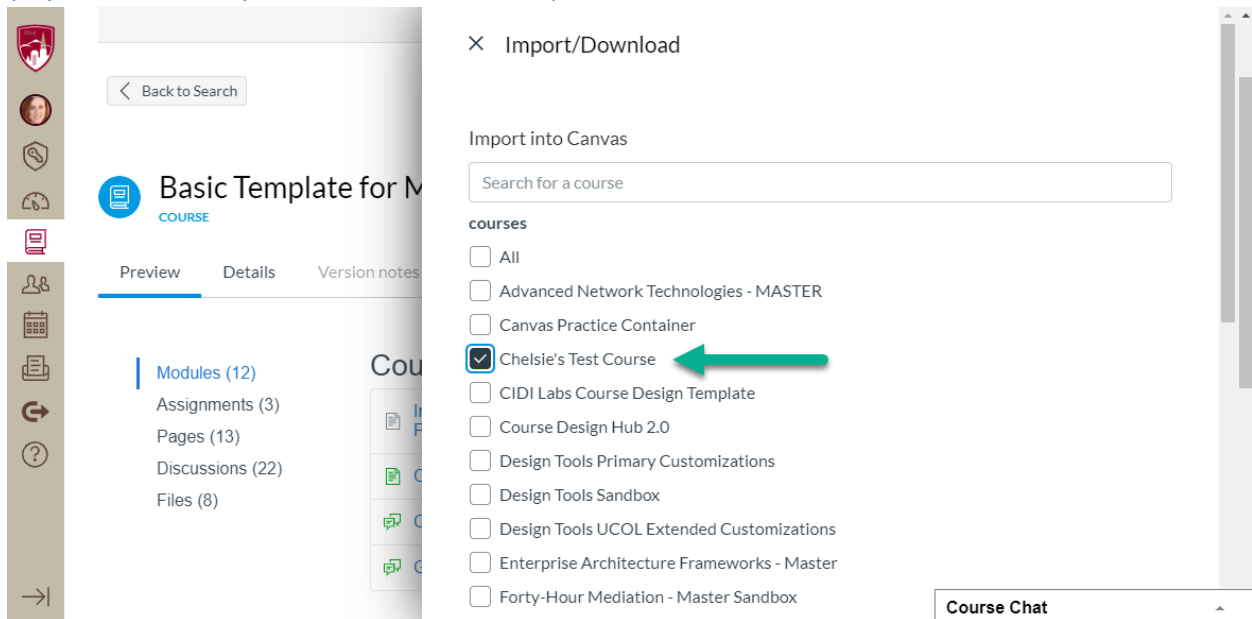

Step 2: Search for "Basic Template for Moving Courses Online" for the full course, or "DU Online Student Resources" for just the student resources page. Then click on the title of the item you want to import.

### Step 3: Click Import/Download

Step 4: Check the box next to the course into which you would like to import the content. (If you have many, use the search field.)

Step 5: Click the import into course button. The content should appear in your Canvas Course Container after a few minutes.
